

## Liberalism in America—Satan’s Tool to Destroy the Church

Today most of the people within America can be broken down into one of two groups, ‘liberals’ or ‘conservatives’. With ‘liberal’ & ‘conservative’ being defined based on their views as it relates to the control they believe the government should have in their lives in the areas of financial spending and on social and moral issues. There is also a very small third group known as ‘libertarians’. Also, within the ‘liberalism’ category there are two elements known as, ‘fiscal’ liberalism and ‘social’ liberalism. These same two categories also exist within the ‘conservative’ heading. Based on my understanding of the Bible and my observation of the actions of both of these groups, liberals and conservatives, are in conflict with the teachings of the Bible.
